

OUR SCHOOL LOCATION

If you wish to get an idea where our schools are go to the website <http://kh.google.com/download/earth/index.html> and download Google Earth. It's free.

Type, Athens, Greece on the search window and you will get a map of the greater Athens, area. Palaio Faliro will appear on your left. Zoom in and move the picture accordingly so you will have a map of the streets of Palaio Faliro. Our school is on Achilleos street behind a brown, oval building that is the church of Virgin Mary. If you look at the picture there is a pin on it. (Sorry the streets on Google Earth are in Greek, you have to look for the word ΑΧΙΛΛΕΩΣ for the name of the street).
